## BSF-MAKEUP-005

Long Answer

### Question

Create a clean and professional **daytime makeup look** suitable for a client attending a casual business meeting. Your response must include:

#### 1. Written Explanation (200-300 words)

- Describe your step-by-step process, including skincare prep, product selection, application techniques, and hygiene practices.
- Explain why your chosen colors and techniques are appropriate for daytime wear.

#### 2. Photo Evidence

- Submit **3 clear images**:
  - Before application
  - During application
  - Final look (front-facing, natural lighting)

#### 3. Video Evidence

- Upload a **1-2 minute video** demonstrating part of your application process (e.g., foundation blending, eye makeup application, or setting techniques).
- Ensure the video is steady, well-lit, and includes your face and client's face (or practice model).

#### Assessment Criteria:

- ☐ Technique & neatness
- ☐ Color selection
- ☐ Professionalism & hygiene
- ☐ Clarity of written explanation
- ☐ Quality of visual evidence
