

What is AIE | Financial Solutions?

The AIE | Financial Solutions team, a division within AIE, is dedicated to provide learners with tailored financial options to ensure each student gets the best education in the most cost effective manner. We believe that a lack of finance should never be a barrier to entry into higher learning and have combined financial solutions from various industry partners and banks with our own internal financial terms to offer the most comprehensive solution to the modern student.

Our Promise

AIE | Financial Solutions promise to deliver a fast and effective service, being transparent and honest ensuring the students are advised correctly and timely education become a reality.
